

Grant Committee Report – 7/20/2026 – Provided by Commissioner Donnelly

- **Water Tank Rehabilitation Project**, Budget Total: \$900,000 **Source:** U.S. Congressional Direct Spending Grant for \$675,000, required Match \$225,000, **Status:** Final Application process with USDA started. With Cooperation from OHA and Biz Oregon, we qualified for Match funding as 50% grant/50% loan and have been offered terms of 30 years at 1% interest. Simplified PER submitted and approved. RD-Apply process initiated.
- **Water Treatment Plant Security Fencing Project**, Budget Total: \$37,500 **Source:** Three Rivers Foundation, request for \$35,000, SDIS Match \$2500, **Status:** We were not selected for funding.
- **Two-years of General Operating Assistance**, Budget Total: \$40,000 (\$20,000 per year) **Source:** Lane County United Way Community Support Grant, **Status:** We were not selected for funding.
- **Two years of Assistance with Operator Certification Assistance for Sewer and Water, plus Office Administration Support**, Budget Total: \$100,000 (\$50,000 per year) **Source:** Lane County United Way Community Transformation Grant, **Status:** We were not selected for funding.
- **Riverview Avenue Distribution Line Replacement Project**, Budget Total: \$1,843,000 **Source:** U.S. CDS (House) Grant for \$1,474,400, required Match \$368,600, **Status:** Application Submitted. I received notification on 04/03, from Rep. Val Hoyle that our proposal has been selected from a pool of 70 proposals; to be one of five that will be considered by the US House Appropriations Committee. No new updates.
- **Riverview Avenue Distribution Line Replacement Project**, Budget Total: \$1,843,000 **Source:** U.S. CDS (Senate) Grant for \$1,474,400, required Match \$368,600, **Status:** Application Submitted. Our proposal has been selected to be considered for funding by the US Senate Appropriations Committee.
- **Sewer System Rehabilitation, Hardening and Upgrade Project**, Budget Total: \$1,059,970 **Source:** Economic Development Administration FY2025 Disaster Supplemental Grant Program for \$847,976, required Match \$211,994, **Status:** Application Submitted. I successfully answered the 1st round RFI about our project and have been given an update on the schedule by EDA staff: Regional evaluations will take about two more months, if we are selected from the Regional pool, the National evaluation and selection round will take about 6-months. *I was told that EDA received 3X the number of projects that they can fund. No new updates.

- **Emergency Water Bottle Filling Station Project**, Budget Total: \$17,049
Source: Oregon Dept. of Health and Human Services, Office of Emergency Management, **Status:** Final testing completed successfully! Our design makes safe, potable water. **I will begin work on the close out report once I get the final accounting from Jordan.**
- **Chestnut Neighborhood/ MSD School Campus Distribution Line and Booster Pump Replacement Project**, Budget Total: (\$513,500.00) **Source:** FY2024 FEMA/BRIC selected Sub-application. **Status:** The BRIC program has been reinstated after being canceled in February of 2025. Working with a grant consultant from Verdantas Engineering we have revised the proposal to meet the new eligibility requirements and it has been resubmitted.*
- **Additional 300,000-gallon Water Storage Tank Project**, Budget Total (TBD)
Source: FY2022 FEMA/BRIC selected Sub-application. **Status:** The BRIC program has been reinstated after being canceled in February of 2025. We are currently working with technical assistance from Lane County and Verdantas to revise the proposal to fit the new eligibility requirements and it will be resubmitted this week.*
- **Grant Consulting Technical Assistance**, to be used for the revision, resubmittal and RFI process on the two outstanding FEMA/BRIC sub-applications, Budget total: \$15,000.00 **Source:** Ford Family Foundation **Status:** Awarded
- **EPA REAL WATER Technical Assistance PROGRAM**, in kind consulting on policy and managerial issues related to District staffing, Budget Total N/A (Goal Based)
Source: Moonshot Missions <https://www.moonshotmissions.org/>

Status: Awarded, introductory meeting held, District information package shared.
